Thank you very much for your generous donation to the **Fraser Valley Walk for ALS**. Your gift will support our efforts to find the cause of and a cure for this disease; it also ensures that we can continue to offer comprehensive services to ALS patients, including mobility, respiratory and communication equipment.

ALS claims the lives of 2 – 3 Canadians each day and we are determined to raise awareness of the disease and funds for research so a cure can be found. Every dollar makes a difference and gives us the necessary tools to fight ALS. Recent research and drug test results have been encouraging and we believe that these advances will move us one step closer to our goal.

On behalf of our Board of Directors, staff, volunteers, ALS patients, their families and caregivers, we extend our sincere thanks for your support. Attached is your charitable tax receipt for income tax purposes.

The ALS Society of BC recognizes all donors in excess of \$500.00 in the Annual Report by name only. If you do not wish your name to appear please call Donor Relations at (604) 685-0737 ext. 225 or e-mail donorrelations@alsbc.ca. Thank you.

Yours truly,
